KARL ANDERSSON & SÖNER  
SINCE 1898

## HANDMADE IN HUSKVARNA. SINCE 1898.

Ända sedan vår farmors far Karl Andersson började sin tillverkning, har vi gjort möbler i Huskvarna. Redan för 127 år sedan lovade han att endast göra "välgjorda och hållbara möbler". Än i dag tillverkar vi möbler i vår egen fabrik med hantverkarens noggrannhet och skicklighet. Karaktärsrika möbler som passar lika bra i offentliga rum som i personliga hem. Vi samarbetar med en rad begåvade formgivare. I dessa samarbeten är den uttalade ambitionen att utveckla högklassiga möbler med trä som huvudmaterial och en stark identitet och en egen karaktär som står över flyktiga trender. De är svenska klassiker av högsta kvalitet som håller för generationers slit och påverkan. Välkommen till Karl Andersson & Söner! Handgjorda möbler i Huskvarna. Sedan 1898.

Since our great grandfather Karl Andersson started our business, we have been making furniture in Huskvarna. 127 years ago he promised to only make "well-made furniture, designed to last". Still we produce, in our own factory, furniture that reflects the skill and precision of craftsmen. Furniture of character, that looks just as stunning in public spaces as it does in your home. Working with renowned designers and using wood as our principal material, our ambition is to develop high-class furniture with a strong identity and a unique character that outlives fleeting trends. They are Swedish classics of the highest quality, designed to survive generations of use and wear. Welcome to Karl Andersson & Söner! Handmade furniture in Huskvarna. Since 1898.
